

The Ultra Strong Spanline Double-U Roof Profile

The exclusive Double-U profile gives Spanline's roof sheets unique light reflective properties which help insulate your home against excessive cold and heat. The superior strength and rigidity of Spanline's fully engineered roof sheet design makes it possible to create home additions with wider roof spans and fewer supporting beams and posts, resulting in minimal impact on your view.

The panels clip together with a special weatherproof interlocking join and the special baked-on paint coat ensures the panels retain gloss and don't crack or fade. Spanline's roof sheets are fully CSIRO tested, easy to maintain, fit any design or structure and come in a range of attractive design options.

“Nationally registered warranty”

Guaranteed Peace of Mind

We use only registered builders and will manage your building approvals and stay in touch with you throughout the entire design and construction process. Your new home addition comes with the security of a nationally registered warranty protecting you against product and paint coat failure.

Our Experience

Spanline has over 25 years experience in the building industry and completes over 7000 home additions annually. Our investment into research and development enables us to offer you a fully engineered and completely integrated building system with a unique Double-U profile roof sheet capable of creating long lasting home additions with wider roof spans and fewer supporting beams and posts.

“25 years experience in the building industry”

“Will visit your home at a time convenient to you!”

What We Offer

Our fully qualified Design Assessors will visit your home at a time convenient to you to work with you to create the home addition you've always wanted. Our free design service includes an onsite check and measure, detailed quote and a scale architectural plan of your preferred design created using our certified design software. All Spanline employees are committed to our National Customer Service Code of Excellence ensuring we exceed your expectations of service and quality.

2nd September 2011

Marketing Release – Special Promotion # 1 – Campaign # 5
15th October 2011 to 6th January 2012
Terms & Conditions for \$500AUD Manufacturer's Rebate

1. The promotional period will commence on the 15th October 2011 and will end on the 6th January 2012 5pm AEST. Spanline Weatherstrong Building Systems Pty Ltd t/as Spanline Australia reserves the right to withdraw OR extend the promotion at any time during the promotional period.
2. **The promotion is a Manufacturer's Rebate of minimum Australian five hundred dollars (\$500AUD) to a maximum of a total rebate of seven (7) percent over the total square metre Spanline ONLY components supplied for the building works, whichever is the greater. The rebate cannot be redeemed for cash and is not transferable.**
3. The promotion is available to clients with an executed building/works/construction contract/agreement dated within prescribed promotional period, with said contract/agreement terms and conditions, with a total Australian Dollar value of seven thousand five hundred dollars (\$7500AUD) or more, a receipted deposit and where construction commencement date is not more than sixty (60) days from date of execution of contract/agreement.
4. Clients who may have executed a building/works/construction contract/agreement prior to date of the promotion are not eligible to participate in this offer.
5. The offer is not available to Spanline Franchise or Franchisor employees, sub-contractors or suppliers and cannot be used in conjunction with any other Spanline Franchise or Franchisor promotion.
6. Spanline Franchise or Franchisor gives no warranties other than those provided for in the Spanline warranty terms and conditions.
7. Photographs and illustrations used in the promotional material are indicative only, and may show items which are not included in this promotion.
8. Notwithstanding any rights that may be inferred by statute, any decision by Spanline Franchise in relation to any disputed aspect of this promotional offer will be final and binding on the client.
